RICHLY DESIGNED ARCHITECTURE

Vancouver's Last Subdivision - an idyllic setting like no other. McCleery & Magee is a prestigious collection of 8 semi-custom single family homes surrounded by a unique fusion of equestrian country charm, luxurious estates, and modern urbanism. A dream come true for those who desire to build their custom home but do not want the hassle and burden of the building application and construction obstacles.

CHARMING & SOPHISTICATED

Contemporary craftsman-style homes are elaborately adorned with premium materials of stone, cedar shingles, horizontal siding and lush landscaping adds character and charm

- Architecture fits with the heritage and history of the Southlands area yet boasts modern elements: large picture windows in the living area, 12' sliding doors, arched windows, and oversized entry door
- Media room on main level for entertainment or 6th bedroom
- True chef's kitchen with integrated Wolf and Sub-Zero appliances in entertainment and Wok kitchen
- Rooflines adds visual interest through its large dormers and steep roof pitches
- Main floors feature grand 10'-6" ceilings. Second levels enjoy airy 9' ceilings with vaulted ceilings rising up to 12' in the master bedroom in select homes
- Skylights throughout the home to welcome natural light
- 3-car garage with extra space for gym and storage
- Every home is designed with approximately 2,000 square feet of over-height crawl space for easier access
